The Art of Pricing

YOUR PROPERTY

Pricing your home correctly from the 1st day on the market is critical to your success as a seller.

More prospective buyers are brought in when a house is listed at a fair market value rather than a higher than market value.

SUPERIOR MARKETING THAT GOES THE DISTANCE

We meet the challenge of creating a demand for your property that attracts more buyers and gets you optimum results.

This requires a precise mix of marketing strategies including:

- intensive local, national, and international networking
- aggressive print marketing
- expansive multi-media online exposure
- customized direct mail advertising & marketing materials

PRINT MARKETING

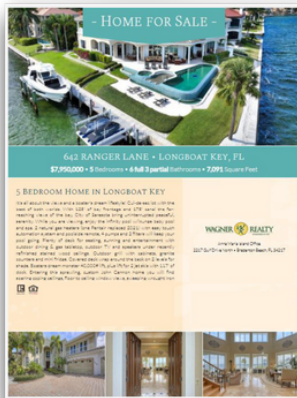

Your home and open houses will be featured in local print publications.

QR codes give direct access to promote engagement through the mobile phone. One small area on any print collateral, when scanned, can lead to unlimited information.

- Direct customers to your property
- Display Open House information
- Launch a Video, and more!

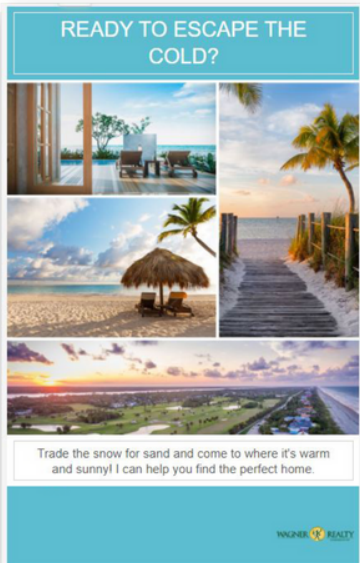

Custom Property Flyers are designed to promote your property utilizing professional photography. These will be available at the property during showings and Open Houses.

Postcards are immediately sent to announce your property is on the market.

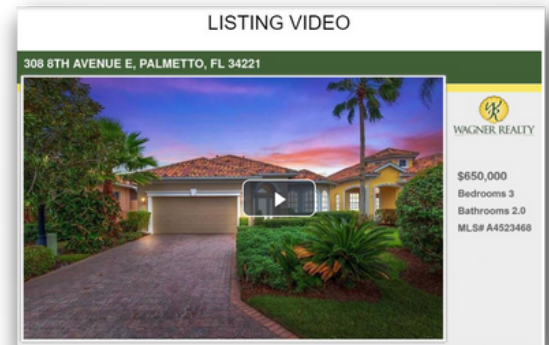

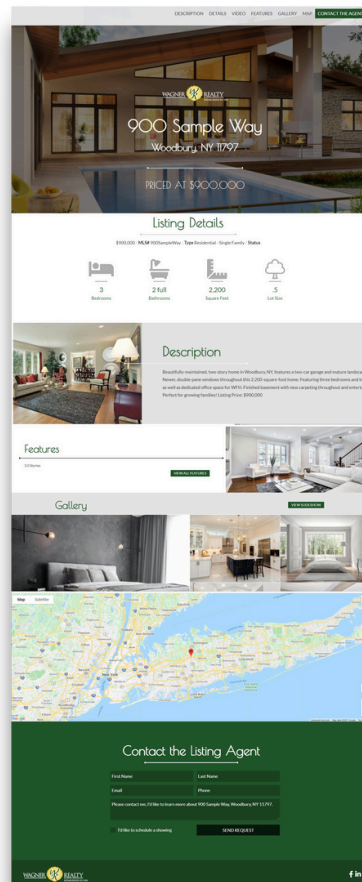

MULTI MEDIA ONLINE MARKETING

Your listing will immediately be sent out to more than 10,000 agents in our region as well as my contact list of potential buyers. The more people that get to view your property, the more likely we are to find a buyer fast.

- Email campaigns
- E-Cards
- E-Blasts
- Social Media Posts
- SINGLE PROPERTY WEBSITES
- Worldwide Listing Syndication
- Associate Website Exposure
